

# Evacuation Trigger Report — 12 Deep

This deep template supports Section 1.8 — Documentation & Logs. Use this log to record events clearly so your family can review what happened, learn from it, and act together with confidence. Leave plenty of space for honest details.

Record the conditions and decisions around any evacuation trigger so the family can later assess timing and risk.

Field	Details (for up to 12 family members, shifts, or events — use extra pages if needed)
Date / Time	
Evacuation Trigger	
Threat Type (Fire / Flood / Conflict / Other)	
Area Affected	
Go / Wait Decision	
Route Planned	
Notes for Next Time
