

Water Purity Log — 12 Deep

This deep template supports Section 1.8 — Documentation & Logs. Use this log to record events clearly so your family can review what happened, learn from it, and act together with confidence. Leave plenty of space for honest details.

Track where water comes from, how it is treated, and any test results to keep the household safe from contamination.

Field	Details (for up to 12 family members, shifts, or events — use extra pages if needed)
Date / Time
