Section 5 — Security & Communication

Emergency Signals & Verification Matrix

Emergency Signal Codes

Signal Type	Meaning	Response
1 whistle	Assemble now	Move to meeting point
2 whistles	Warning	Prepare positions, verify info
3 whistles	Confirmed danger	Initiate Red protocol
Hand signal: closed fist	Stop	Hold silently
Call: 'LIGHTHOUSE'	Identity check	Response: 'ANCHOR'

Verification Rule

All external information must be authenticated by call-and-response. No action proceeds without identity confirmation.
