

## **Subsection 4.4 — Age-Based Duty Assignment Master Chart**

## **Section 1 — Role Overview**

This master chart summarizes which age groups carry which types of duties, ensuring clarity, fairness, and avoidance of both overburdening and underuse. It is the quick map of who does what, at which stage of life.

## ***Section 2 — Duties Checklist***

- [ ] Confirm duties match the capacity of each age group
- [ ] Verify that children are not given dangerous or isolating tasks
- [ ] Ensure adolescents receive training and not just labor
- [ ] Confirm adults carry the operational load without collapse
- [ ] Honor elders with meaningful but light duties
- [ ] Review differing-ability roles for inclusion and safety
- [ ] Update assignments when family composition changes

### **Section 3 — Notes**
