## Subsection 2.4 — Daily Hazard Controls

| Daily Hazard Controls  |  |
|--|--|
| Night Circuit — Verify stoves off, candles out, exits clear. |  |
| Fuel Seal — Cap and store all flammables properly.           |  |
| Spark Discipline — No tools used near combustibles.          |  |
| Combustible Audit — Remove paper, cloth from heat zones.     |  |
