

## Subsection 5.6 — Strangers & Visitors Protocol

### Observation Checklist

#### Initial Observation Checklist

Observe first, then engage. This checklist can be used from a window, porch, or concealed vantage point before any contact.

#### Observation Items

Item	Check	Notes
Number of people present		
Any visible weapons or tools?		
Vehicles? (type, markings, condition)		
Body language (tense, calm, agitated)		
Are they scanning the property?		
Do they seem intoxicated or impaired?		
Any signs of illness or injury?
